

Big Muddy Speaker Series

“Kansas City’s Sewer System: Where We’ve Come From and Where We’re Headed”

Presentation by:

Lara Isch, Water Quality Educator
KANSAS CITY WATER SERVICES

Middle Blue River Basin
Green Solutions Pilot Project

Lara will discuss the history of Kansas City’s combined and separate sewer systems, the development of the federally mandated Overflow Control Program and how the program aims to improve water quality and reduce sewer overflows over the next 22 years. She will also discuss the Middle Blue River Basin Green Solutions Pilot Project to reduce stormwater impacts to the sewer system.

FREE & open to the public!

**Wednesday,
March 12, 2014**

**6:00 p.m. Social Hour
7:00 p.m. Presentation**
